

HR Innovation Executive Sessions 2021

Modernising HR capabilities to increase agility and improve public sector innovation

→ **October 19 – 28**

Sydney | Melbourne | Perth | Canberra

Brisbane | Adelaide

Australian government departments are facing economical, technological and demographic changes like never before. Rising citizen expectations combined with a global pandemic have created new urgency for innovation in the HR space. Government agencies must embrace new HR practices to reshape business processes, making them more creative, motivational, and competitive.

Public Sector Network's HR Innovation Executive Meeting Series will bring together key senior attendees to share insights on how government can stimulate innovation through best HR practices.
