

Health Innovation Executive Sessions 2021

Digitally advancing healthcare to create seamless care journeys

Sydney, 27 October 2021

Public Sector Network's Health Innovation Executive Meeting Series will virtually bring together an exclusive group of key senior public sector attendees to network and connect in-person, in an intimate environment. The focus will be on strategies for creating digitally transformed, patient-centric health systems.

The 2021 Health Innovation Executive Meeting Series is all about working towards a fully digitally enabled and integrated healthcare system in Australia and New Zealand in a post COVID-19 world.

Join this exclusive invitation only event series to discuss the power of technology and how to foster innovation to achieve high-quality, sustainable healthcare for all, today and into the future.
